REPORT OF THE WINNISQUAM FIRE DEPARTMENT, INC. — 1963

To the Voters of Tilton:

Our thanks again goes to the voters of Tilton for the assistance they gave us last year.

We have upgraded our Department this year with the addition of two mobile radios for the trucks, plus a pair of walkie-talkie radios that are a great asset at fires. Two demand type air masks were purchased to assist us in rescue and fire suppression operations. More hose was bought, also protective clothing for the firemen. Lighting equipment was added to our portable generator. Now we can put the fire out and still see what we are doing. Our Emergency truck is now partially equipped and will roll to all fires.

Drills are held once a month and these help us to increase our firefighting knowledge, also several of our members attended Fire School at Fitzwilliam this fall.

In 1963 (January 1 to December 31) the Winnisquam Fire Dept., Inc. answered 43 calls. 14 were structural fires, 15 brush or forest fires, 10 Mutual Aid calls, and 4 were other calls (accidents, drownings, etc.). We received Mutual Aid 9 times and gave Mutual Aid assistance 10 times.

Mutual Aid given: Tilton—3 Belmont—2 Laconia—2 Gilford—3.

We would also like to say thanks to the Tilton Fire Department and Police Department for their help at Mutual Aid calls.

REPORT OF THE STUDY COMMITTEE

The Study Committee, as appointed by each town, to investigate the possibilities of a community center has reviewed various possible sites for such a building, should the towns vote to establish such a center.

An article has been submitted for the Northfield Warrant proposing that the old ball park and pines be reserved for such a building site and recreation area, pending a decision by town vote to establish a joint recreation center.

A review of the state laws governing the joint establishment of a community center was conducted.

It is suggested that the committees be continued and additional studies and investigations be made.

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Let's all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

REPORT OF THE TILTON-NORTHFIELD RECREATION COUNCIL

The eighth year of operation of the recreation program has seen an expansion of both our summer and winter programs.

Due to the resignation of William Joscelyn in May as our director, we were a little late in starting our fall program.

Our summer program was expanded with the employment of James Stone as full time director and Irene Plourde as assistant, however, with an enrollment of 225 children in the swimming program alone, little time was left for other endeavors. In the coming year, we would like to sponsor a girls' softball team or possibly a league. A tremendous interest was shown, also, in archery.

It is the intent of the council to operate again with full time direction during the summer.

We were fortunate to secure the services of Mr. Andrew Sorette, Jr. of Franklin as our part-time director for our fall and winter programs. Our winter program consists of ping-pong, boxing, weight-lifting, bowling, skating, skiing, basketball, dances, and various indoor table games with an average enrollment of 310 students.

This year we came to the aid of the Tilton Bears and Cubs football teams who needed some financial assistance.

We feel that we are offering as much of a variation of activities in our programs as possible with our inadequate facilities. We look forward to the day of full time direction and a Community Center for our activities.

We would like to note at this time that the teen council, under the direction of Mr. Sorette, has donated $100.00 of their own money to the building fund. Also $10.00 to the Olympic fund. These donations have been made since January first, so the balance of the

building fund on the treasurer's report is now $100.00 greater.

In closing, we wish to thank all who have generously assisted us with our programs and especially the T-N School Board for the use of the high school gym for our basketball. Jim Cunningham, boxing instructor; Ronald Gloddy & John Simpson, football; Dick Edmunds of Franklin, weightlifting.

FRIENDS OF THE HALL MEMORIAL LIBRARY

Friends of the Hall Memorial Library are indebted to the Library Trustees under the chairmanship of Dr. Joel Nordholm for their suggestion that a report from our association be included in this Town Report. We welcome the opportunity to acquaint everyone with Friends' activities; in this first annual report it seems appropriate to begin with a brief summary of the association and its history.

Organized in 1958 with the object of stimulating public interest in and support of Hall Memorial Library, membership is open to all who are interested in the Library's welfare. Meetings, open to the public, are held in October and April; membership dues are $1.00 annually.

Services and contributions to the Library by the Friends since 1958 have included:

Increased publicity for the Library, its resources and services;

Members' service on Book Committee in selection and purchasing of books, and at Shieling Trust meetings;

Purchase of posters for children's reading-room;

Decorations, displays, films and programs arranged and presented at the Library;

Book-cover contest for grade-school children;

A series of story hours for children;

Summer reading club for children in grades 3-8;

Solicitation of donations of children's books;

Sponsorship of a nature film showing in public school;

Book delivery service to nursing homes and shut-ins;

Funds raised through used book sales.

As a result of Friends' discussions and suggestions:

Monthly allotment for purchase of books increased;

Greater use made of State Library resources;

Installation of sign showing Library hours and of a larger book deposit door-slot;

Closer contact with school librarians and teachers regarding needs and interests of students;

Membership in the State Library purchasing plan.

Our first used book sale, held in the fall of 1962, cleared a total of $101.50. The 1963 sale netted $208.90 — more than double the proceeds of the first. The Friends take this opportunity to thank those who contributed so generously in books, time and effort; the Boy Scouts who distributed publicity; the Girl Scouts, for their help in sorting and arranging the books; Mr. Clinton Presby, for allowing us to use his store; and all our customers.

Because of the heavy demand for children's books, the Friends have voted to use funds from both 1962 and 1963 sales to increase the Library's children's collection. To date, more than fifty volumes have been presented to the Library and further purchases are planned. Through the courtesy and cooperation of the University of New Hampshire Bookstore, Mr. Dayton Henson, Manager, and Mrs. Charlotte Chase, purchaser of children's books, we have had the benefits of a most favorable discount and expert advice, and we are very grateful for both. We wish also to thank Mr. Henson for his contribution of more than a hundred volumes from his personal library.

Current projects of the Friends include working for the extension of Library hours, preparation of a formal book-purchasing policy to be submitted to the Trustees, and sponsoring films in the public schools whenever requested.

Special thanks are due to the Library's Trustees for their readiness to receive and to act upon ideas and suggestions from the Friends.

We cordially invite all our fellow-citizens of Tilton and Northfield to join with us in working for the betterment of the Hall Memorial Library as a cultural and

educational resource in our communities. Your interest and support will be deeply appreciated.

ANNUAL REPORT OF THE DISTRICT NURSE

Fiscal Year for January 1 to December 31, 1963

During this period the nurse cared for 1,673 nursing calls and 386 nursing cases. These were divided into the following:

	Calls	Cases
Home Nursing	1,590	324
Office	49	35
New Baby, Prenatal, Postnatal	34	27
Health and Welfare Service		
Adult	96	87
Infant, Preschool and Baby, Office	113	97

Fifty-one trips were made with patients to doctor's office, clinics, and hospitals during the year.

Under the direction of the State Board of Health the Fall Oral Polio, Toxoid, and Vaccination Clinics were held at the American Legion Hall on October 1, October 29, and December 3. Ages four months through seven years. Mrs. Kay Hewitt, school nurse, Mrs. Lurline McCook, Mrs. Mona Hill and Miss Leata Kennedy, R.N.'s, and Mrs. Marjorie Robert, Mrs. Evelyn Riley and Mrs. Norma Lamanuzzi, clerical workers, Dr. Frank Robinson, and Dr. Archie Grevior, attending physicians. One hundred thirty-five triple toxoids, 115 oral polio vaccines, and fifty-seven vaccinations were given. Appreciation is given to the American Legion for the use of their hall for these clinics.

A very successful X-ray Mobile Project was held in town in November under the auspices of the State Board of Health. The local mills received this service, then the Mobile Unit was set up in front of Jordan's Electrical Co., Inc. store where a record number of 185 had x-rays. The unit visits Tilton every three years. The nurse handled publicity through posters, notices in the papers, and on radio stations. Appreciation is given to Mr. Jordan for the use of his store.

Mrs. Thalia Coulter, R.N., substituted for the nurse for the month of August.

Food was distributed from the Sunday Schools of the Congregational and Methodist churches at Thanksgiving time.

Many hours were devoted to buying, collecting and wrapping toys and gifts for children at Christmas. This was possible because of the generosity of the many clubs, local organizations and individuals, who also contributed many dinners to grateful families at Christmas.

I welcome this opportunity to thank everyone who has assisted me in my work this past year. The local doctors, the District Nursing Association, the selectmen, the residents of both towns and my cooperative patients who have always made me feel very welcome in their homes throughout the past years.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

The report of the Building Account shows the construction and equipment purchased with the $415,000 bond issue and the $45,000 bond issue to complete the equipment and construct the parking lot. We hope to use the balance of the money for the purchase of electronics equipment for the new course starting in September, 1964.

The proposed budget for 1964-65 shows an increase, chiefly in Instruction. It is necessary to add two additional teachers to the high school staff because of the increased enrollment and new curricula. The list of graduates compared with the number entering Grade 7 shows the problem. There are approximately 60 graduates in June 1964 but 85 will enter Grade 7 next fall. This has happened for several years. It is also interesting to note the present 122 pupils in Grade 1. It is also necessary to add a Grade 2 teacher as we were required to have four Grade 1 teachers this year.

The closing of Union 59 next June means that the districts of the new Union will furnish their own nurses and music teachers. Tilton-Northfield will use the music teacher and nurse five days a week in this district. The rapidly-developing instrumental program will be expanded with a good band resulting.

We are very appreciative of the offer of Head Custodian Elmer Simmons to accept part-time employment and enable us to secure an extra custodian with the surplus pay. The extra man works eight hours, five nights a week to sweep classrooms in the Union and Sanborn Schools, and the result has been much cleaner classrooms conducive to better morale.

The present budget provided four thousand dollars for a fourth custodian at the high school. The Board

voted to reorganize the duties, and use the money for needed repairs and renovations at the Junior High and Union Schools. It is apparent that the high school is in excellent maintenance and that the repairs greatly improved both schools.

The renovations at the Junior High included:

(1) Painting the old science laboratory
(2) New tile in the teachers' room
(3) Painting walls in teachers' room
(4) Painted two classrooms chair rail heights

The renovations at the Union School included:

(1) Installed five new windows and frames
(2) Installed new outside basement door
(3) New stair treads from top floor to basement floor
(4) New tile floor and chair rails in one classroom
(5) Painted basement hallways and hallways on first and second floors
(6) Painted three classrooms on basement floor
(7) Painted six toilet walls and panels
(8) Installed 14 screens on south side of building with hinges to swing outwards for safety reasons
(9) Repaired both front doors and replaced closures and stops.
(10) Window frames repaired on fire escape side of building
(11) Two trees cut down and two trimmed for safety
(12) Both front doors replaced and new stops added
(13) Painted administrative office
(14) Storage room established under basement stairs

(15) Attic thoroughly cleaned and outmoded equipment sold

(16) Repaired giant climb and all swings, basketball backboard installed.

We also arranged for a new television set for the Sanborn School and a new bulletin board for teachers.

We have included in the proposed budget an item of one thousand dollars for the school lunch program. It has been impossible for most years for the lunch program to meet all costs. Deficits have been charged to the school district with the necessary reduction in certain items to have a balanced budget.

We are maintaining the summer program at the Union School with seven weeks of morning sessions in physical education and directed games, and instrumental music instruction. We are adding seven weeks of remedial reading from 9 A.M. to Noon. We feel that this will be a tremendous help to many pupils with reading needs.

It is planned to adopt a new insurance basis starting July 1, 1964 under which the buildings and contents are insured for 90 per cent value covering fire, Extended Coverage, Vandalism and Malicious Mischief. This is called Co-Insurance under a new state law and under this package plan the district will have additional coverage in these items of $183,500 at a reduced total cost to the district. The insurance cost will be reduced from $4,563.00 this year to $3,541.42 for 1964-65.

The State Board of Education voted to cancel Supervisory Union No. 59 effective June 30, 1964 thus dissolving the old union of Gilford, Gilmanton, Belmont, Tilton-Northfield, and Canterbury. Tilton-Northfield and Belmont become part of the Franklin Union. This will mean the elimination of the superintendent's office in Tilton. The Board filed an appeal for reconsid-

eration by the State Board of Education and this appeal was rejected.

The item for Instruction is also increased because the salary of the music teacher will be charged here rather than in the union budget. The item for Health Service is also increased because the salary of the nurse will be charged here and removed from the union budget. Both of these persons will work full-time in Tilton-Northfield.

We especially wish to thank Mr. Richard Pucci for his many hours and meetings consumed as assistant in studying and drawing plans of the grading and parking lot at the High School. He also assisted on preparing specifications for bidding, — and all this without expense to the school district.

We wish to thank Mr. Burt W. Smith for his supervision of the construction of the parking lot at no cost to the school district.

We wish to extend our thanks and appreciation to the following:

(1) The Women's Club of Tilton-Northfield for its successful operation of the Dental Clinic.

(2) The Journal Transcript for its annual achievement in securing funds for scholarships for Franklin and Tilton-Northfield pupils.

(3) The Benevolent Order of Elks for its annual scholarships for graduates of this area.

(4) The Tilton Rotary Club for cash scholarships for our graduates.

(5) The Anna M. Hussey Memorial Committee for its scholarship award to future teachers.

(6) The Tilton Lions Club for its financial assistance to pupils.

(7) The American Legion Whiteman Post No. 49 for its Scholastic Award and other Contributions.

(8) The Pucci family for the Alfred H. Pucci Memorial Award, the Garden Club, Friends of the Library, the Library Trustees, and all local civic and professional organizations which have contributed scholarships, special gifts and assistance.

(9) Mr. Raymond McReel, Vice President of the Citizens National Bank, for his excellent management of the new $45,000 bond issue.

(10) Our Superintendent, Principals, Teachers, Treasurer, Office Workers, Custodians, Cafeteria Workers, and Bus Operators for their excellent cooperation.

(11) The Citizens National Bank, the Iona Savings Bank, Gale's Insurance Agency, Giles Dairy, and Shepherd Funeral Home for gifts and prizes.

(12) The Selectmen of both towns for their mutual assistance to us.

(13) The excellent cooperation, advice and assistance from the Town Budget Committees.

(14) The bequest from the Katherine M. Johnson estate for an annual scholarship gift to a graduate of our high school.

We appreciate the cooperation of the people of Tilton and Northfield. We know that it has been this spirit of good citizenship that has enabled this cooperative district to develop one of the best school building program and school systems in the state. Our new High School Addition and its equipment represent a tremendous advance in local education.

We request your continued assistance for progress and your constructive criticism, that we may continue

to improve our schools and the education of our children for the modern needs of 1964.

Respectfully submitted,

The Moderator explained that due to the protest resulting from the method of conducting the 1962 School meeting, the School Board and Moderator have set up a new method for balloting. The Tilton and Northfield supervisors have the check lists at the rear of the hall to check voters as they enter; also check lists for the two towns are prepared and are at the front of the hall for use in balloting on articles in the warrant. He asked for comment on the proposed method and there being none, it was unanimously approved.

Article 9-a. On motion made by William M. Lawrence, duly seconded, it was voted that the district auth-

orize the purchase of equipment for the new Tilton-Northfield High School addition.

The motion was duly seconded. There were 148 ballots cast of which 9 were NO and 139 YES. The motion was carried.

Article 11. On motion made by Mr. Lawrence, duly seconded, it was voted that the District adopted for future school district annual meetings the non-partisan ballot and the use of polling booths, establish advance filings by candidates seeking office and take such other steps as necessary by law for establishment of the non-partisan ballot system, also to establish voting hours which will not conflict with the evening meeting time and that

Superintendent Gordon L. Fox and the School Boards of Gilford, Gilmanton, Belmont, Canterbury, and Tilton-Northfield wish to express our appreciation for the faithful, efficient and loyal service of Mrs. Marietta Regent in the Supervisory Union office in Tilton.

Our best wishes for the future and appreciation for the past go to this very faithful worker in the education of youth.

Tilton-Northfield Bus Limits

The Tilton-Northfield School Board adopted bus limits several years ago that are still in operation. A central point was used and all pupils living one mile from that point are entitled to transportation. The Bus limits are as follows:

Main (East)	William Foster Residence
Main (West)	City Service Garage
Winter	Calef Hill Road
Park	Corner Park and Summer
Sargent	Tilton School Athletic Field Entrance
Bay	Robert Elliott Residence
School St.	Florence Nudd Residence
Central Point	Corner Winter and Main Streets

Tilton-Northfield gives far more transportation than is required by state law which provides that districts are required to transport pupils living beyond two miles from a school. High school pupil transportation is not required by law.

The School Board has also been very fair to pupils requiring special transportation for a period because of illness attested to by a doctor's certificate.
